The Affiliate may not without the prior written consent of the Merchant assign, transfer, charge, license or otherwise dispose of or deal in the Agreement or any of its rights or obligations under the Agreement.

13.8 Save as provided for in Clause [8], the Agreement is made for the benefit of the parties, and is not intended to benefit any third party or be enforceable by any third party. 13.9 The Agreement constitutes the entire agreement and understanding of the parties in relation to the subject matter of the Agreement, and supersedes all previous agreements, arrangements and understandings between the parties relating to the subject matter of the Agreement. Subject to Clause [9.1], each party acknowledges that no representations or promises not expressly contained in the Agreement have been made by or on behalf of the other party.
